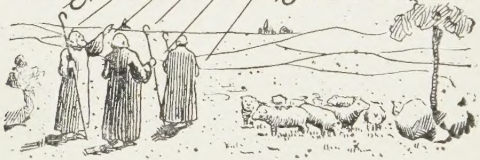
"What means this glory 'round our feet?"
The Magi mused, "more bright than morn?"
And voices chanted clear and sweet,
"To-day the Prince of Peace is born!"

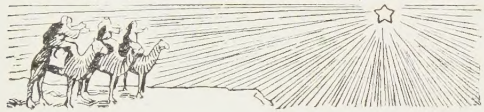
"What means that star," the shepherds said,
"That brightness through the rocky glen?"
And angels, answering overhead,
Sang, "Peace on earth, good will to men!"



'Tis eighteen hundred years and more
Since those sweet oracles were dumb
We wait for Him, like them of yore;
Alas, He seems so slow to come!

But it was said, in words of gold
No time or sorrow e'er shall dim,
That little children might be bold
In perfect trust to come to him

All 'round about our feet shall shine
A light like that the wise men saw,
If we our loving wills incline
To that sweet Life which is the Law



So shall we learn to understand
The simple faith of shepherds then,
And clasping kindly hand in hand,
Sing, "Peace on earth; good will to men!

And they who do their souls no wrong,
But keep at eve the faith of morn,
Shall daily hear the angel-song,
"To-day the Prince of Peace is born!"

The Grace of
our LORD
Jesus Christ
be with you
